Parental Consent – Permission Form

One of the Cadet Program objectives is the completion of the levels of the Star program. As such there is a requirement for field instruction and evaluation of concepts, theory and skills in a field environment. This Field Training Exercise will allow the Corps and its members to meet these objectives. It encourages learning through doing in a non-urban environment, with additional challenges of dealing with and learning to cope with cold weather environments. As such 105 RCACC will conduct a winter field training exercise in from 01 Feb through to 02 Feb 2020 at Blackdown CTC, CFB Borden, ON.

Please ensure cadet follows kit list when packing. Do not pack items in a suitcase. Cadets will be turned around if personal items are packed in a suitcase. All cadets must be able to travel "hands free". Suggested bags are large backpacks, rucksacks, duffle bags where cadets are still able to use BOTH hands when carrying items.

Dress will be issued Environmental (Combat /FTU /CADPAT) wear or similar. Additional items of protective clothing will be issued to Cadets and Volunteers for the duration of the FTX

Rations will be provided for the whole Exercise.
